GERMANY UNWORTHY OF FELLOWSHIP

When Bulgaria gave up the fight it was generally expected that Turkey would follow and that Austria-Hungary could not hold out. Then with Germany left alone, the final windup would be in sight. As was expected, Germany held back to save all he could of his boasted imperial greatness. He wants to hold his colonies and to still dictate the govern-

ment of his ruined provinces, but our people hoped he would be allowed no voice in the settlement.

He precipitated the war without excuse, purely for aggrandizement of power and yielded no consideration to the rights of other peoples, and now that he is whipped, he has the effrontery to ask for humane consideration.

Even should the war be ended now and Germany left alive with any degree of recuperative power left, we may as well begin at once to fortify against future aggression. Germany should be left no ground to stand on, nor granted any liberties in the commercial world. His attitude toward other nations should be enough to brand him as an out-law unworthy to be associated in any way with civilized powers of the world.

ARREST SURRENDER PRICE OF PEACE

While the German armies were winning battles on the west front, mowing down allied troops, laying waste to Belgium and northern France, capturing civilians, men, women and children and sending them as slaves to work in German fields, mines and factories, binding captive women and forcing them to submit to brutal outrage by German men and officers, cutting off the ears and hands and feet of little children, mauling captive soldiers to barn doors, burning cities, demolishing sanctuaries, blowing up our ships and murdering the passengers as they tried to escape in boats. Planning iron band of domination of Europe and America. Dynamiting industrial plants in America and inflicting every conceivable outrage on humanity and civilization, the Kaiser and his war lords never suggested armistice or peace. Now why should America and the allies show them any sort of consideration. Nothing short of a dethroned monarchy, a dethroned and dethroned autocrat will meet the conditions. He should be left prostrate with no power of recuperation and the substance of his country should be seized in as far as it will in settlement for the monumental damage they have wrought in France and Belgium and on the seas.

King Ferdinand of Bulgaria trembled on his throne when his people

began to show resentment at him for plunging them into an unsuccessful war and he proceeded to abdicate. Boris was proclaimed King and his first act was the signing of an order to demobilize the Bulgarian armies.

Mr. Farmer:

If you have a loan with the Federal Land Bank of Houston you are paying 5 to 5 1/2 per cent interest and have safe-guarded yourself against debt, maturity and embarrassment when financial readjustment comes—as come it will—after the war. You are now saving from \$10 to \$50 a year on each \$1,000 by reason of the lower rate of interest than you were paying on your farm mortgage or your neighbors are paying on theirs. In five years you will save from \$150 to \$250 on each \$1,000.

Won't you put this saving in Liberty Bonds and do your "bit" in your country's greatest emergency? Liberty Bonds are a safe, profitable investment and badges of honor to every farmer who owns them.

Or, if you have not a loan with the Federal Land Bank of Houston, but owe on a farm lien indebtedness which costs you more than 5 1/2 per cent interest per annum, won't you

take steps to refund same by loan to the Land Bank—anticipate the saving, and invest same in Liberty Bonds? Is it not better to make an investment in Liberty Bonds than pay out the money in agent's commissions and interest in excess of 5 1/2 per cent?

Be wise and patriotic. Act on these suggestions and bring them to the attention of neighbors similarly situated and induce them to take this action.

THE FEDERAL LAND BANK
Of Houston,
See J. P. Chambless, Sec.-Treas., Snyder, Texas.

TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts Your Liver Without Making You Sick and Cannot Salivate

Every druggist is town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason: Dodson's Liver Tonic is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tonic is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tonic is personally guaranteed by every druggist who sells it. A large bottle costs 50 cents and if it fails to give relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tonic is a pleasant tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe like violent calomel. Take a dose of calomel today and tomorrow you will feel sick, weak and nauseated. Don't lose a day's work! Take Dodson's Liver Tonic.

Group.
If your children are subject to group get a bottle of Chamberlain's Cough Remedy, and when the attack comes on be careful to follow the plain printed directions. You will be surprised at the quick relief which it affords.

Does Such an American Exist?

Can there be any American who is not doing all he can to help win the war? Who pretends to believe that we could have kept out?

Who whines or growls about the little sacrifice he is asked to make?

Who gets panicstricken and thinks that it would be better to compromise with the Hun and listens to the serpent whisperings of German propaganda?

If such an American exists let him realize what Germany has done to Russia, which gave in and negotiated a cowardly peace.

There is only one thing for us all today and that is war to the bitter end—war until the Hun is utterly and completely destroyed.

For those who cannot fight, LIBERTY BONDS are the best possible weapons against the Hun.
